27.1 The company shall instruct an auditor as referred to in Section 2:393 paragraph 1 DCC to audit the Annual Accounts prepared by the Managing Board in accordance with the provisions of Section 2:393 paragraph 3 DCC.

27.2 The General Meeting is authorised to grant this instruction. If the General

Meeting has not given the instruction, the Supervisory Board shall be authorised to do so or, if there are no Supervisory Directors in office or the Supervisory Director has failed to do so, the Managing Board shall be authorised to give the instruction. The instruction of the auditor may be revoked at any time by the General Meeting and by the corporate body that has given the instructions; the instructions given by the Managing Board may also be revoked by the Supervisory Board.

27.3 The auditor shall report on his audit to the Supervisory Board and the Managing Board and shall report on the results of his audit concerning the true and fair nature of the Annual Accounts.

27.4 In the General Meeting, the auditor may, in relation to his report concerning the true and fair value of the Annual Accounts, be questioned by shareholders and Depositary Receipt Holders. The auditor shall therefore be invited to attend the General Meeting and be entitled to address this meeting.

28. **ADOPTION OF ANNUAL ACCOUNTS.**

28.1 The Annual Accounts shall be adopted by the General Meeting.

28.2 The company shall ensure that the Annual Accounts, the Annual Report and the additional information that should be made generally available together with the Annual Accounts pursuant to or in accordance with the law, are made generally available from the day of the convocation of the General Meeting at which they are to be dealt with.

28.3 The Annual Accounts cannot be adopted if the General Meeting has not been able to take notice of the auditor's report, unless a valid ground for the absence of the auditor's report is given under the other additional information referred to in article 28.2.

29. **PROFITS. DISTRIBUTIONS.**

29.1 Each year the Managing Board, subject to the prior approval of the Supervisory Board, may determine which part of the profits shall be reserved.

29.2 The General Meeting may resolve to distribute any part of the profits remaining after reservation in accordance with article 29.1. If the General Meeting does not resolve to distribute these profits in whole or in part, such profits (or any profits remaining after distribution) shall also be reserved.

29.3 Distributions can only take place to the extent the shareholders equity (*eigen vermogen*) exceeds the aggregate of the issued capital and the reserves that

should be maintained according to law.

- 29.4 Distribution of profits shall take place after the adoption of the Annual Accounts from which it appears that distribution of such profits is admissible.
- 29.5 Provided it appears from an interim statement of assets as referred to in Section 2:105 paragraph 4 DCC signed by the Managing Board that the requirement mentioned in article 29.3 concerning the position of the company's assets has been fulfilled, the Managing Board, subject to the prior approval of the Supervisory Board, may resolve to pay an interim dividend. If the signature of one or more of the Managing Directors is lacking, this shall be stated and the reasons given. The company shall file the interim financial statements with the trade register within eight days after the resolution to pay interim dividend is announced.
- 29.6 In calculating the amount of any distribution on shares, shares held by the company, or shares for which the company holds the depository receipts shall be disregarded, unless such shares or depository receipts are encumbered with a right of usufruct or pledge.
- 29.7 Subject to the prior approval of the Supervisory Board and due observance of article 29.3, the Managing Board may resolve to make distribution payments on the account of any reserve which need not to be maintained by virtue of the law.
- 29.8 The Managing Board may, subject to the prior approval of the Supervisory Board, resolve that a distribution on shares shall not be paid in whole or in part in cash but in shares or in any other form.
- 29.9 A claim of a shareholder for payment of a dividend shall be time barred after five (5) years have elapsed.
30. **GENERAL MEETINGS.**
- 30.1 The annual General Meeting shall be held annually within six (6) months of the end of the financial year.
- 30.2 The agenda for the annual General Meeting shall contain inter alia the following points for discussion (if applicable):
- (a) Annual Report;
 - (b) substantial changes to corporate governance;
 - (c) the remuneration policy and remuneration report;
 - (d) adoption of the Annual Accounts;

- (e) the reservation and dividend policy;
 - (f) allocation of accrued profits;
 - (g) granting of discharge to the Managing Directors for their management during the financial year concerned and to the Supervisory Directors for their supervision thereon; and
 - (h) other proposals brought up for discussion by the Managing Board or the Supervisory Board, or by shareholders or Depository Receipt Holders in accordance with the provisions of article 31.9.
- 30.3 Other General Meetings shall be held as often as the Managing Board or the Supervisory Board deems such necessary, without prejudice to the provisions of Sections 2:110, 2:111 and 2:112 DCC.
- 30.4 Shareholders and/or Depository Receipt Holders, representing in the aggregate at least one tenth of the issued capital, may request the Managing Board or the Supervisory Board to convene a General Meeting, stating the subjects to be discussed. If the Managing Board or the Supervisory Board has not convened a meeting within eight (8) weeks after the request, the persons who made the request shall be authorised to convene a meeting themselves, subject to the applicable provisions of the law.
31. **PLACE OF THE MEETING. CONVOCATION.**
- 31.1 The General Meeting shall be held in the municipality where the company has its corporate seat or in Venlo, Amsterdam or Haarlemmermeer (Schiphol), at the discretion of the person convening the meeting.
- 31.2 General Meetings shall be convened by the Managing Board or the Supervisory Board, without prejudice to article 30.4.
- 31.3 The convocation of the General Meeting shall take place taking into account the relevant notice period set out in Section 2:115 DCC.
- 31.4 The convocation to the General Meeting shall be made by notice made public through electronic means of communication, which must be directly and permanently accessible until the time of the meeting. If no shares or Depository Receipts have been admitted to the trade on a regulated market as mentioned in Section 1:1 of the Dutch Financial Supervision Act, in deviation from the previous sentence, notice of convocation to shareholders could be made by an announcement in a national newspaper. If no shares in registered form are issued, in deviation from the previous sentence, notice of convocation to

shareholders could be made on the company's website.

31.5 If the General Meeting has a right of approval by law or these articles of association or if the Managing Board requests a delegation of powers or authorisation, the Managing Board shall inform the General Meeting by means of a circular or explanatory notes to the agenda of all facts and circumstances relevant to the approval, delegation or authorisation to be granted.

31.6 The notice of convocation to the General Meeting shall specify:

- (a) the subjects to be dealt with;
- (b) the place and time of the meeting;
- (c) the procedure for participating in the meeting;
- (d) the procedure for participating in the meeting through an attorney authorised in writing;
- (e) the website address of the company.

Subjects which were not specified in the notice of convocation may be announced at a later date with due observance of the provisions of this article.

31.7 Further communications which must be made to the General Meeting pursuant to the law or these articles of association can be made by including such communications either in the notice or in a document which is deposited at the company's office for inspection, provided a reference thereto is made in the notice itself.

31.8 The notice of the meeting shall also state the requirement for admission to the meeting as described in article 32.

31.9 Shareholders or Depository Receipt Holders who are authorised thereto according to Section 2:114a DCC, may request the company in writing that an item shall be included in the convocation of the General Meeting or shall be announced in the same manner, if the company has received the request setting forth the reasons for the request no later than on the sixtieth day before the day of the General Meeting.

32. **ADMISSION TO A GENERAL MEETING.**

32.1 Each shareholder and Depository Receipt Holder shall be entitled to attend the General Meeting, to address the meeting and, to the extent that the voting rights accrue to him, to exercise his voting rights. As long as shares or depository receipts have been admitted to the trade on a regulated market as mentioned in Section 1:1 of the Dutch Financial Supervision Act, for the

purpose of the preceding sentence the person who has the voting or meeting rights are deemed to be the person who at the registration date mentioned in the next sentence has those rights and who has been registered as such in a register determined by the Managing Board, irrespective who at the time of the General Meeting were entitled to the shares or the depository receipts. The Managing Board shall set the date of registration shall on the twenty-eighth day before the day of the meeting.

- 32.2 Each shareholder, Depository Receipts Holder or their attorney will only be admitted to the General Meeting if he has notified the company of his intention to attend the meeting in writing or by electronic means of communication at the address and by the date specified in the notice of the meeting.
- 32.3 Prior to being allowed admittance to a General Meeting, each shareholder and each Depository Receipts Holder, or their attorney, shall sign an attendance list, while stating his name and, to the extent applicable, the number of votes to which he is entitled. Each shareholder and other person attending a General Meeting by means of electronic communication in accordance with article 32.4 shall be registered on the attendance list by the Managing Board. In the event that it concerns an attorney of a shareholder or a Depository Receipt Holder, the name(s) of the person(s) on whose behalf the attorney is acting, shall also be stated. The chairperson of the meeting may decide that the attendance list must also be signed by other persons present at the meeting.
- 32.4 The Managing Board may determine that the powers set out in the first sentence of article 32.1 may be exercised by means of electronic communication. If a shareholder or Depository Receipts Holder participates by means of electronic communication, it shall be required that the electronic communication allows for identification of such person, for such person to directly take notice of the proceedings in the meeting and for the casting of votes. Furthermore, it shall be required that the electronic communication allows for the person entitled to attend meetings to participate in discussions in the meeting. The Managing Board may subject the use of the electronic communication and the manner in which the requirements mentioned in article 32.1 should be satisfied to further conditions, provided that these conditions are reasonable and necessary to establish the identity of the shareholder and the reliability and security of the communication and are included in the notice of

the meeting.

- 32.5 Each share confers the right to cast one vote. The Managing Board may determine in the convocation that any vote cast prior to the meeting by means of electronic communication or by means of a letter, shall be deemed to be a vote cast in the meeting. Such a vote may not be cast prior to the registration date mentioned in article 32.1. A shareholder who has cast his vote prior to the meeting by means of electronic communication, remains entitled to, whether or not represented by a holder of a written proxy, participate in the meeting and to address the meeting. Once cast, a vote cannot be revoked. The company shall send an electronic confirmation of receipt of a vote that was cast electronically to the person who voted.
- 32.6 The right to take part in the meeting in accordance with article 32.1 may be exercised on the basis of a written or electronic power of attorney, duly executed and legalised in accordance with the laws applicable to the power of attorney. The company shall be authorised (i) to admit to the General Meeting an attorney whose power of attorney has not been legalised in accordance with the laws applicable to the power of attorney and (ii) to allow such attorney to exercise the meeting rights in accordance with article 32.1. The company shall allow the shareholders and the Depository Receipt Holders to present the power of attorney to the company by electronic means of communication.
- 32.7 The Managing Directors and the Supervisory Directors shall, as such, have the right to give advice in the General Meeting.
- 32.8 The chairperson of the General Meeting shall decide on the admittance of persons other than those mentioned above in this article.
33. **PRESIDING GENERAL MEETINGS. MINUTES.**
- 33.1 The General Meeting shall be presided over by the chairperson of the Supervisory Board who, even if he is present at the meeting, may designate another person as chairperson of the meeting. If in the absence of the chairperson of the Supervisory Board the chairperson has not designated another person as chairperson of the meeting, the Supervisory Directors present at the meeting shall appoint one of them as chairperson. In the absence of all Supervisory Directors the meeting shall appoint its own chairperson. The chairperson shall designate the secretary of the meeting.
- 33.2 Unless a notarial record of the proceedings at the meeting is drawn up, minutes

thereof shall be kept. The minutes shall be approved and, in confirmation thereof, signed by the chairperson and the secretary of the relevant meeting or approved by a subsequent meeting. In the latter case the minutes shall be signed in confirmation of approval by the chairperson and the secretary of that meeting.

- 33.3 The chairperson of the meeting, the Managing Board or the Supervisory Board may at all times give instructions for the drawing up of a notarial record at the expense of the company.
- 33.4 All questions concerning admission to the General Meeting, the exercise of the voting rights and the result of the votes and all other matters connected with the proceedings at the meeting shall be decided by the chairperson of the relevant meeting.
- 33.5 The chairperson of the meeting is authorised to admit third parties to the General Meeting.
- 34. **VOTING RIGHT.**
- 34.1 Resolutions of the General Meeting shall be adopted by a simple majority of the votes cast in the meeting, unless the law or the articles of association explicitly require a greater majority.
- 34.2 The chairperson shall decide on the method of voting.
- 34.3 If there is a tie of votes in a vote other than a vote for the election of persons, the proposal is thus rejected.
- 34.4 Abstentions and invalid votes shall not be counted as votes.
- 34.5 The chairperson's decision at the General Meeting on the result of a vote shall be final and binding. The same shall apply to the contents of an adopted resolution insofar as the same arises out of an unwritten proposal. If, however, the correctness of that decision is challenged immediately after its pronouncement, a new vote shall be taken if either the majority of the persons present and entitled to vote, or, if the original vote was not taken by roll call or in writing, any person present and entitled to vote, so desires. The original vote shall have no legal consequences as a result of the new vote.
- 34.6 In the General Meeting, no voting rights may be exercised for any share held by the company or a subsidiary, or for any share for which the company or a subsidiary holds the Depository Receipts. However, usufructuaries of shares owned by the company or a subsidiary are not excluded from exercising the

voting rights if the right of usufruct was created before the share was owned by the company or such subsidiary. The company or a subsidiary may not exercise voting rights for a share in respect of which it holds a right of pledge or usufruct.

- 34.7 When determining how many votes are cast by shareholders, how many shareholders are present or represented, or which part of the company's issued capital is represented, no account shall be taken of shares for which, pursuant to the law or these articles of association, no vote can be cast.
- 34.8 Without prejudice to the other provisions of this article 34, the company shall determine for each resolution passed:
- (a) the number of shares on which valid votes have been cast;
 - (b) the percentage that the number of shares as referred to under (a) represents in the issued share capital;
 - (c) the aggregate number of votes validly cast; and
 - (d) the aggregate number of votes cast in favour of and against a resolution, as well as the number of abstentions.
35. **SPECIAL RESOLUTIONS.**
- 35.1 On a proposal of the Managing Board which has been approved by the Supervisory Board the General Meeting is authorised to resolve to amend the articles of association, to dissolve the company or to conclude a legal merger (*juridische fusie*) or a demerger (*splitsing*) as referred to in title 7 of book 2 DCC, unless the company acts as acquiring company.
- 35.2 A resolution of the General Meeting referred to in article 35.1 which has not been taken on proposal of the Managing Board and prior approval of the Supervisory Board should be taken by a majority of at least two thirds of the votes cast in a meeting in which at least fifty per cent (50%) of the issued capital is represented.
- 35.3 A resolution of the General Meeting to conclude a legal merger or a demerger as referred to in title 7 of book 2 DCC which has been taken on proposal of the Managing Board and with the prior approval of the Supervisory Board should be taken by a majority of two thirds of the votes cast if less than fifty per cent (50%) of the issued capital is represented.
- 35.4 In the event in a meeting as referred to in article 35.2 not at least fifty per cent (50%) of the issued share capital is represented, a second meeting shall be

convened, to be held no later than eight weeks after the first meeting.

In the second meeting valid resolutions can be adopted with respect to the proposals placed on the agenda for the first meeting, regardless the share capital represented in the second meeting, provided with a majority of at least two thirds of the votes cast. The notice convening the second meeting shall indicate and set forth the reasons why at such second meeting a resolution may be adopted irrespective of the share capital represented at the meeting.

36. LIQUIDATION.

- 36.1 If the company is dissolved as a result of a resolution of the General Meeting, the Managing Directors shall act as liquidators of the assets of the company, subject to the supervision of the Supervisory Board.
- 36.2 During the liquidation these articles of association shall remain in force as far as possible.
- 36.3 Anything remaining of the assets of the company after the creditors have been paid shall be distributed to the shareholders in proportion to the nominal amount of their shareholdings.
- 36.4 After the completion of the liquidation, the books, papers and other data media of the company shall be kept for the term as described by law by the person designated for this purpose by the liquidators.
